Highlights of April Meeting

Ed Taschner in his last meeting as President welcomed members and guests on May 4. JP Frignac led the Pledge of Allegiance.

Election of Officers and Board Members was conducted with results as shown on page 1 above. In addition it was announced that dues need to be raised to $15 annually and a motion made and seconded, a vote of members attending approved the increase.

Our featured speaker was Tim Mahoney, President, Honeywell Aerospace. Tim noted that 2016 estimated sales should be between $15.3 and $15.6B with margins between 21.7% and 22.1%. Cumulative annual growth rate is between 4 and 5% with margin goal of 28%. Current level of cofunded investment exceeds $1B.

Tim noted that the downselect for the T700 replacement engine, a $60B program, is scheduled for later this year.

Key areas of Aerospace growth values are:

- B737 Max (backlog > 3000) $25B
- Embraer $24B
- Airbus A350 $18B
- Textron Longitude $8B

Aftermarket opportunities continue in the two main areas: conventional aftermarket based on utilization; and decoupled growth based on the upgrades of installed products and systems.

Tim noted that Aerospace enjoys mechanical systems leadership with Engines growing at 6% CAGR and APUs will have 21,000 installed units by 2020, will be selected for 7 of 9 new transports and that there were 500 Honeywell APUs selected for Airbus aircraft 2015.

Honeywell enjoys the broadest content in the industry including:

APU        SATCOM
Bleed Air Control       Radar
Power Conversion       Cabin Pressure
Thrust Reverser Actuation

Lighting       Awareness
Integrated Cockpit   Propulsion
ECS           Ram Air Turbines
Data Recording

Growth prospects in the 2015-2017 time-frame include:

- 17 new aircraft launches
- 200+ new products
- 40% propulsion win rate
- 160 new software offerings
- 60 new product/services offerings
- International defense growth

When asked, Tim indicated that the peer group that Honeywell measures itself against includes:

- Rockwell Collins
- UTX United Technologies
- General Electric
- Illinois Tool Works
- TYCO
- Emerson Electric

and the measures include:

- Revenue Growth
- Operating Income
- Free Cash Flow
- Earnings per Share

Current Corporate priorities are acquisitions and repositioning.

In summary, Aerospace is growing faster than the industry, is continuing to expand margins, and that growth is being fueled by the strategy of “decoupled” innovation.

Editors Note:

Despite the above positive outlook, we are all aware that Honeywell has recently imposed 2 weeks of unpaid furlough for all employees and, in addition, has announced reductions in force. It is not known what took place to necessitate these changes between May of this year and now.
PRESIDENT’S COLUMN

I pray everyone has been having a wonderful summer. Time has certainly flown by and our first Garrett Retirees club meeting of the 2016 – 2017 season will soon be here. We will again be meeting at the Scottsdale Senior Center, 1700 N. Granite Reef Road in Scottsdale just North of McDowell, on the first Wednesday of each month. Our first speaker is Emily Burns who will be giving a presentation on estate planning and what is new in the field. Although it may seem early, mark your calendar for our annual Christmas luncheon on December 6th. We had a great time and turnout last year and we will meet again be eating at Rustler’s Rooste, 8383 S 48th St, Phoenix. Our club also sponsors a family for Christmas in conjunction with the luncheon. More details will be coming.

The club needs your help, we are always looking for additional volunteers to help lead in many ways. First, if you know someone who recently retired or has been retired and not joined the club, invite them to a meeting or let me know and I will invite them! Second, we have two open officer positions on the board, Vice-President and Secretary. If you know someone you think would do well in one of these positions let a board member know. Speaking of the board, your 2016 - 2017 Board Members are: Mark Steele – President, Walt Blackmore – Treasurer, Stu Mitnik – Newsletter Editor & Membership Chair, Diane Bennett – Events Chair, Frank Holman and Bob Davenport – Scholarship Board, Hermann Andresen and Don Stewart Board members, and Ed Taschner, Past President. Please think about how you want your club to move forward and how you might help. Feel free to contact any board member with any item you may have concerning the club.

I look forward to seeing many of you on September 7th at the club meeting. Be sure to come!

Mark Steele, President
**Fix-It Guys**

*Sponsored by Honeywell, Garrett and Sperry Retirees Clubs*

We can help Honeywell retirees or surviving spouses with fix-it jobs around the house that you are not able to accomplish. This will hopefully keep the job from being a budget buster for you.

Call us at the appropriate number below. **PLEASE LEAVE A CLEAR MESSAGE GIVING YOUR NAME, TELEPHONE NUMBER, JOB INFORMATION AND NEAREST CROSS STREETS.**

*Nick Hughes (coordinator for East Valley 602-677-0649)*  
*Clint Langford (coordinator for North Valley 602-765-4466)*

We can probably help and will get back to you as quickly as practical. We furnish the labor at no cost to you - you furnish the cost of the materials or parts.

Below is a list of volunteer Fix It Guys from both the East and North Valley.

### East Valley

- Mike Briske
- Jim King
- Nick Hughes
- Charlie Paine
- Frank Holman

### North Valley

- Gene Kupka
- Wally Secosky
- Lee Rippstein
- Matt Schuetz
- Paul Simison

**Through March 1 2016, the East Valley Fix It Guys have participated in 17 Fix Its involving travel of almost 500 miles to help our friends.**

---

**Monthly Charity News**

Your Board of Directors has voted to donate $100 each month to the Scholarship Fund and the other $100 to local charities as usual. This month’s charitable donation went to Chrysalis Shelter. Club guidelines dictate that we support local charities exclusively. A list of the charities from which the board chooses donations monthly is posted on the website. If you have a favorite charity you would like the club to consider for donations, please bring it to our attention.

50/50 winners were **Don Carpenter** and ???????.

**Weird Headlines:**

"Jurisprudence Fetishist Gets Off On Technicality"

"Standard Deviation Not Enough For Perverted Statistician"
Sail roundtrip from Ft. Lauderdale on MARCH 5, 2017 aboard the New *REGAL PRINCESS*

Join Barbara Rippstein and her husband on this fun cruise into the Eastern Caribbean aboard the beautiful, new Regal Princess. Breathtaking natural beauty combined with old world charm defines the magical allure of the Eastern Caribbean. With a distinctive fusion of European, African & Latin American influences, this region boasts quaint towns alive with diverse cultures, amid a breathtaking backdrop of swaying palm trees, velveteen sands and turquoise waters accented with rainbow fish. The locals are friendly, the duty-free shops bustling and the cultures fascinating. Soak up the sun, adopt its laid-back island mindset & explore coral reefs teeming with marine life on an Eastern Caribbean cruise vacation, roundtrip from Ft. Lauderdale.

HRSC & GRC Scholarship Program

Program Updates

Applications for the Honeywell Retiree Clubs Scholarship Program closed on April 1. The Scholarship Board will be meeting in April to review all applicants and recipients will be notified in May. Watch our website, www.hrcaz.org, for more information on the candidates. As you know, these scholarships are open to students attending Arizona State University (ASU), Northern Arizona University (NAU), or University of Arizona (UofA), who meet the following requirements:

- Descendant of an active or deceased member of the Honeywell Retiree Social Club (HRSC) or Garrett Retirees’ Club (GRC)
- Second semester freshman, sophomore, junior, senior or graduate student
- Cumulative grade point average of 3.0 or greater

What you may not know is that our Universities have asked for another rate increase. If approved, our incoming undergraduates will see annual tuition increases of: ASU $10,627 (1.4% increase), U of A $11,769 (3.2% increase), and NAU $10,764 (3.8% increase). If you would like to make a contribution to support our students, you can send a check payable to Honeywell Retiree Scholarship, in care of Treasurer, Gwen Scheetz, or contact any of our Board members.

All of our Scholarship Recipients have told us how much they appreciate the money the Honeywell Scholarship provides, and how important it is to each of them. The Scholarship Board will be looking at ways to provide even more support to our deserving students.

It’s hard to explain puns to kleptomaniacs.....because they always take things literally.

Who is this Rorschach guy? And why does he paint so many pictures of my parents fighting?

A Roman walks into a bar and asks for a Martinus. “You mean a martini?” the bartender asks. The Roman replies, “If I wanted a double, I would have asked for it!”

René Descartes walks into a bar. Bartender asks if he wants anything. René says, “I think not,” then disappears.

Yo momma’s so classless... ...she could be a Marxist utopia.

Did you hear about the man who got cooled to absolute zero? He’s OK now.

An infinite number of mathematicians walk into a bar. The first orders a beer, the second orders half a beer, the third orders a quarter of a beer, and so on. After the seventh order, the bartender pours two beers and says, “You fellas ought to know your limits.”

Pavlov is sitting at a bar, when all of the sudden the phone rings... Pavlov gasps, “Oh s**t, I forgot to feed the dogs.”

What’s the difference between an etymologist and an entomologist? An etymologist knows the difference.

Emily Burns Presentation: Latest Estate Planning Information

A member of the Central Arizona Estate Planning Council, Ms. Burns is an ASU graduate (BA '65, MS '29, JD '84) and a member of the Arizona Bar. Her specialization is in the areas of Estate Planning; Guardianship; Conservatorship; Probate & Trust Law.

Editor’s Corner

Our monthly meetings are held at the Scottsdale Senior Center, 1700 N. Granite Reef Road, (just north of McDowell). The meetings are held on the first Wednesday of every month, September thru May, except for December – our Holiday Luncheon. Our social hour begins at 1:00 pm, club business is conducted at 1:45 pm, the presentation starts at 2:00 pm and adjournment is at 3:00 pm.

The history of Honeywell or an old edition of the Newsletter can be found on the GRC webpage http://www.garrettretireesaz.com/
Editor’s Corner cont.

If there is something that you would like to see in the newsletter, or if you want to comment on the Newsletter itself, write a letter to the editor or e-mail the information to smithnik@cox.net! We will publish it, space available and the approval of the Board. Any comments or claims made within the publication are solely the responsibility of the individual authors and do not necessarily express the views of Honeywell Inc. or the Directors, Officers, Staff or members of the Garrett Retirees’ Club of Arizona.

With our revised club guidelines that will change the roles and increase the number of Board Members, we are again encouraging members to attend Board Meetings as a guest to influence and support Club policies.

Board Meetings are held immediately prior to our meetings on the 1st Wednesday of the month at an offsite location.

If you are interested in attending a Board Meeting, please contact anyone on our list of Directors on page 1.
