President's Column

This is a mini newsletter to provide updates on several topics

First Item: New Vice President.

Due to the COVID-19 virus your Board had to deviate from guidelines and hold a special election to elect Ken Krieger to be our Vice President. The Board members who voted unanimously elected him. Welcome Ken. In the May Presidents column if a club member volunteers to be a Treasurer or Vice-president, they can select a charity of their choice. Ken selected the Desert Botanical Garden.

Glenn Orgeron will be leaving the Board after doing great jobs as Vice President and Treasurer. Thank you, Glenn.

Our club still needs a Treasurer. Joan Schenamsgruber is our current Treasurer and would like to retire. Someone please volunteer. Joan has done a great job and will stay on until we have a new Treasurer.

Second Item: Charity status

Your Board allocates \$800 for 8 charities each year. Again, due to COVID-19 the Board plans to select charities via email by September 15. Three charities have been selected to date

- Herpetological Sanctuary, they were the speaker at our January meeting.
- Waste Not/Want Not, they meet at the Scottsdale Senior Center and was recommended by Diane Bennett.
- Desert Botanical Garden recommended by our new VP Ken Krieger

Diane Rencenberger recently suggested UMOM. UMOM's mission is to prevent and end homelessness with innovative strategies and housing solutions that meet the unique needs of each family and individual. UMOM is located at 3333 E Van Buren St, Phoenix.

If someone volunteers for the Treasurer position they can select a charity.

When a member brings in a new member they can select a charity.

Finally all Members are welcome to suggest charities.

Third Item: Future Meetings

COVID-19 has caused havoc with our meeting schedule. Our meeting place Scottsdale Senior Center is closed until further notice. We have great speakers lined up, Mike Madsen the new President and CEO Honeywell Aerospace, Mike Garrett Commemorative Air Force. We also have plans for our annual Holiday Luncheon.

All these functions are on hold.

Fourth Item: Potential new members

If anybody knows these recent Honeywell-Garrett departures and if they are retirees please inform them about our Club. Also give their contact info to any Board member. Thank You.
