President's Column

To all members of the Honeywell Retirees Club of Arizona, your President and Board wish all of you a Merry Christmas, Happy Hanukkah, and Happy Healthy New Year.

This past year has been a challenge. We had only three meetings: Phoenix Herpetological Sanctuary; History of Teddy Roosevelt RoughRiders by Rob Spindler; and how to sell on Ebay by our own Al Stimac. All were well attended and well received, but we had to cancel our Spring Picnic and Holiday Charity Luncheon. Hopefully, sometime in the New Year we will get back to having meetings and events.

Despite the challenges we revised our Club guidelines to reflect how we conduct our meetings. We updated our website. Please check it out at www.garrettreteesaz.com. We contributed to eight local charities.

Between the two clubs HGRC and HRSC there were 14 students receiving scholarship awards. Our club members are to be congratulated for giving the majority of the funds. Let's continue our generous donations.

We had seven new members: Carl Landrum, Joe Maczko, Paul Brett, Denise Birnbaum, Glyn Rutledge, William Janiga, and Jim Kenehan.

Here is our wish list for Santa Claus: More new members; Volunteers for Treasurer, Membership Chair, and Newsletter Editor; Most important make COVID-19 go away.

Again your President and Board wish all of you a Merry Christmas, Happy Hanukkah, and Happy Healthy New Year.
